

Willett Pond Charitable and Protection Association Annual Boat Registration & Sticker Request Form

All boats and docks need stickers. There are two kinds of stickers:

ANNUAL STICKERS

Every boat (motor, canoe, etc.) needs a new annual sticker every year. Docks do not need annual stickers. Annual stickers let the Safety Patrol know you are authorized to be on the pond. These stickers are provided by WPCPA, annually or upon request.

PERMANENT STICKERS

Every boat and every section of your dock needs to have permanent stickers. Permanent stickers display your license number and do not change from year to year. These stickers are the responsibility of each owner.
